

United Samaritans Foundation's mission is to deliver food to people in need in Stanislaus County, and to facilitate the provision of services to those people to assist them in a transition to a better quality of life.

September 2006

Thank You All!!

It's time again for us to thank all of our loyal supporters; those who help with their time and those who help with their check books. We could not operate our clothes closets or operate our food pantry without the time spent by our volunteers for these two services. Those of you, who help with the food preparation already know, we could not get the food prepared and on our trucks without your help.

Now for those of you who help with your checkbooks. We really appreciate your continued support. We know your electricity bills have gone up because ours have almost tripled over the last few months and we know your other bills have gone up because ours have also gone up. We are trying to watch all our expenses as closely as possible so we can stretch all of your donations. We operate on a few grants but mostly we operate on the generosity of our supporters. We could not provide the level of service we offer to our communities without each and every one of you. Thank you very much for your continue support in these tough times.

A TIME FOR REMEMBERING

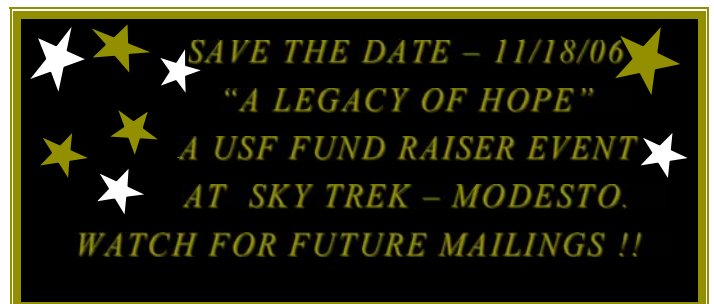

Many things have changed for our country during the past few years and many other things have remained unchanged. Our thoughts and prayers continue to be with our military personnel doing their jobs to keep our country safe.

SCHOOL SUPPLIES

With school now open, we are asking for donations of backpacks for those children in need. We have plenty of school supplies available. If you know of a child in need, please send them our way.

Please help us help the students by dropping your contributions off at our office at 220 S. Broadway, Turlock. We are open Monday through Friday, from 8:30 a.m. to 4:30 p.m.

Because of your faithful Support, USF Daily Bread Trucks served approximately **29,825** meals in August 2006. USF Daily Bread Trucks serve Hughson, Modesto, Ceres, Keyes, Empire, Waterford, Hickman, Denair and Turlock areas. Approximately **193** families (**501** individuals) received Emergency Food Boxes providing 4,509 meals.
