## JUNE 2008

### "GIVING WITH YOUR WHOLE HEART"

Mrs. Ewing's 2<sup>nd</sup> Grade Class at Walter White Elementary School in Ceres raised \$554.69 to help feed the less fortunate. It was the hope of the teacher to instill in the students a sense of community and to show them that one person can make a difference. Her 2<sup>nd</sup> grade class placed collection jars in each of the classrooms at their school in the month of March and asked their fellow students to fill them with their loose change. The students then collected the jars, sorted and counted the money. USF Director Barbara Bawan was presented with a GIANT check and a picture poster of the children with the money that they had collected when she visited their classroom in May. The expression of joy and pride on the faces of the children reflects what being able to give back to their community means to them. To Mrs. Ewing, her 2<sup>nd</sup> Grade Class, and to all the students and staff of Walter White School our heartfelt thanks!

Our Hughson site staff decorated the Hughson truck in red, white and blue stars and sounded our musical horn thru out the parade. This year's Celebration honored our Military Veterans and those currently serving our Country.
