A BIG THANK YOU TO MEDIC ALERT

United Samaritans Foundation would like to thank Medic Alert for their generous community support. The clothing drive and monetary donation provided by your organization will help many families and individuals not only to meet essential daily needs, but to work toward a brighter future.

GARY HOUX ~ MEDIC ALERT DONATING \$500

As you know, needy families and individuals in our community go without nutritious food, shelter, clothing, and essential medical care every day due

to a variety of factors including low wages, unemployment, injuries, illness, age, domestic violence, and di-

vorce. While all of us are susceptible to hard times children and the elderly are high risk populations, and

they make up the largest number of clients we serve.

We would love to challenge all the other businesses in our community to have a clothing or can food drive.

For more information on how your donation is helping to make a difference in the lives of so many in our community, we invite you to

visit our Web site at www.unitedsamaritans.org.

You can also find information there on our upcoming events for this year and volunteer opportunities.

A BIG THANK YOU TO OUR GUARDIAN ANGEL

United Samaritans asked our supporters if they could reach deep into their pockets and donate an air compressor. A guardian angel heard our wish and came to our rescue with a new air compressor. Sally Pearce is one of our long time volunteers and a very important part of the USF family. We are thankful for people like her that donate their time and energy for our programs. Thank you so much Sally

PUMPKIN PIE CONTEST

Dr. Dubyak will once again be hosting a "Pumpkin Pie" Contest on Monday, November 22, 2010. All pies will be donated

to United Samaritans Foundation to be used on Thanksgiving Day. Watch for our November Newsletter for more information, place and time.

for the generous gift of an air compressor. United Samaritans could not carry on its mission with out the constant support from you and all of our committed volunteers. If you want to become a volunteer please call 668-4853.
