A BIG THANK YOU TO LOWES

A BIG THANK YOU to Delia and the group of employees from the Lowe’s Store here in Turlock who painted the dining room and kitchen at 213 S. Broadway. Lowe’s connected with United Way to do a service project for a non-profit agency this fall. USF was fortunate to be chosen. The Lowe’s employee’s were an energetic and

hardworking group of volunteers. They repainted the bright yellow walls to a wonderful soft beige. They also did a number of minor repairs to the building. It will be a much more restful dining experience for the homeless men who use the building during the winter for their family dining. We also thank the group of ten students and faculty from Freedom High School who did the prep work of cleaning and taping off the areas to be painted. We are so appreciative of all the hard work that was done by both groups. **Thank you!**

THANK YOU CALVIN BRIGHT

President of the Board, John Rogers and Calvin Bright

We would like to say thank you, thank you, thank you to Calvin Bright and the Bright Family Foundation for the funds to help purchase a much needed supply truck. Thanks to his generosity we were able to purchase a 2004 Penske Freightliner. The truck is more fuel efficient than our older model and because it has a larger load capacity, we are able to cut down on the number of trips we need to make to pick up donations thus saving even more on our fuel costs. We had the truck repainted from its bright yellow color to white. Eldon from “Signs by Eldon” used his creative talents to add our USF Logo and message “help us feed the hungry” on the truck creating a moving billboard for us. Calvin, we thank you for your generosity to United Samaritans Foundation in support of its mission to feed the hungry.

PUMPKIN PIE CONTEST

Dr. Dubyak will once again be hosting a “Pumpkin Pie” Contest on Monday, November 21, 2011. All pies will be donated to United Samaritans Foundation to be used on Thanksgiving Day. Watch for our November Newsletter for more information, place and time.
